

WIECL AGM 2021

Tuesday 9th November 2021

List of proposed rule changes

1. 2 runs for a wide and no extra ball (except the last over/last 5 balls in a 100-ball match)
 - (a) for all games
 - (b) in the lowest division only.
2. (a) Adopt the mandatory use of Playcricket for results reporting.
(b) Teams to suffer a penalty/points deduction if the result of the fixture is not on Playcricket before the weekend following the game. Home team is responsible.
3. The league moves to the 100 format:
 - (a) For Senior/Junior Cup games only
 - (b) For League games only
 - (c) For all games (except 10x10)
4. Teams permitted to wear coloured kit if they wish (subject to Committee approval).

Other proposed changes for next season

5. The league should look to create Instagram, Facebook and Twitter accounts to promote the league. Volunteer administrator required.
6. Continued and expanded or compulsory use of Pink balls
7. As seems likely, in the event of nobody coming forward to oversee umpire appointments on a day-to-day basis, the league will, prior to the season, allocate umpires for each scheduled fixture. Changes to that list, for any reason, shall be between the named umpire and the team's captain/representative.
