CHAIRMAN'S NOTES 2023

Welcome to the Wilden Industrial Estates Cricket League for 2023. We have rung the changes this year in response to club's wishes to see more League games and less Cup games. I hope you will enjoy the new 2 division format with 8 teams in the Premier division and 9 teams in what we are now calling the Championship division. All teams from last year are still involved and we also welcome the addition of a second team from Cookley.

We have made use of the software provided on the ECB's Play-cricket website to set our fixtures as this allows us to programme in ground shares and thus avoid fixture clashes. It also produces a balanced looking set of fixtures that mostly alternate home and away. It does, however, require an early start to the season on 12th April in order to fit in all the fixtures. It also throws up some surprises like 2 teams having byes in the Premier division most weeks. Another consequence is that Cup games are squeezed into the end of the season in August. Due to shorter evenings at that time of the year we will be concentrating on the short format 10x10 and a new initiative that we have called the Wilden 60, or W60 for short. The rules are similar to the Hundred but there will only be 60 balls per innings. Clubs will be invited to choose which format they want to play before the Cup draw is made.

Another initiative this year is the Wilden Super League (WSL) which started out as one of those conversations over a pint and has progressed to the point that we hope to actually have a few games. The idea is that individual players will sign up to play in the WSL and a "draft" will take place to assign players to teams. The number of teams will depend on the number of players signing up, but a minimum of 3 teams is anticipated. The games will probably be played using the Hundred format and they will take place in the middle of the season whenever grounds are available.

I'm encouraged to see a new younger committee this year; thank you to those concerned. We have a new fixtures secretary, treasurer and welfare officer to add to the recently appointed social media and website teams. This is great news for the continued health and future of our cricket league.

Rule changes this year: In the Championship only, we continue the rule that wides will be award 2 runs and not be re-bowled (except in the last over of an innings). Clubs also voted to introduce a free hit for front foot no-balls (the bowler overstepping). In line with the recent (2022) version of the MCC Laws of cricket, if the dismissed batter is caught, the incoming batter will occupy the end that the dismissed batter last faced (whether or not the batters crossed). You will also notice a move away from the word "batsman" to the gender neutral "batter". Finally, we will be adopting the new General Conduct Regulations for Recreational Cricket, issued by the ECB.

We are grateful to qualified umpires who continue to make themselves available to our League. Our umpires' panel is listed elsewhere in this publication. We also have an appointments secretary who will co-ordinate all umpire appointments. Given the number of games each week and the availability of umpires it is likely that most of the time you will only have one official at your games. Please support them, respect their decisions and plan ahead so that you can pay them promptly on the day.

We are once again indebted to our sponsors, especially Wilden Industrial Estates, for their support.

I wish you all a successful and enjoyable season.

Mark Hall
Chairman
March 2023

PLAYERS, RESULTS AND AVERAGES

Player Eligibility

The League welcomes players of all standards.

Submit your teams by filling in and signing the team sheet before the game.

Once a player appears for your club they are signed to you for the season.

You should indicate new signings with an asterisk on the team sheet

Substitute fielders do not need to be signed players.

Players wishing to transfer to another club must apply to the League.

No transfers are allowed after the June General Meeting each year.

All players MUST be covered by insurance.

Cup Matches: No new signings permitted in Semi Finals or Finals

Results

Results to be entered on Play Cricket within 3 days following the game at:

<https://wildenindustateslge.play-cricket.com>

League positions will be published on the website via Play Cricket

Averages

Averages will be calculated from scores submitted to Play-Cricket or may be submitted at the September General Meeting.

LEAGUE RULES 2023

MCC Laws of Cricket 2017 code (2022 edition effective from 1 October 2022) applies, including the incoming batter going to the end that the dismissed batter last faced whether or not the batters have 'crossed'.

The following pages are a summary of the additional League rules. Where a rule number is referenced, please consult the full League rules, a copy of which can be found at www.wildencricket.com/rules.

Umpire liability/team sheet to be completed accurately and handed to the umpire before the game starts.

All matches to start at 6.30pm except in April and after August 9th when matches should begin at 6:15pm due to light.

Each innings shall consist of at least 6 and no more than 12 eight ball overs.

Each bowler limited to a maximum of 3 overs each.

Minimum of 5 bowlers must be used during the innings.

After 7.00pm (6:45pm in April and after 9th August) or 6 overs no player may join a match except as a sub.

All games to have a fielding circle.

A minimum of **half the team** must be within the circle **at all times**.

Wides, no-balls, beamers and bouncers:

Balls down leg side are "wide". In The Championship only, wides are awarded 2 runs and NOT rebowled, except in the last over of the innings when normal laws apply (1 run and rebowled).

Bouncers above head height are "no-ball".

No more than one ball per batsman per over above shoulder height

Beamers are "no-ball" regardless of the speed of delivery

Intimidatory bowling may be subject to disciplinary action.

Umpire discretion permitted with beamers and balls bouncing more than once.

From 2023 a front foot "no-ball" (only) results in a Free Hit.

Forfeited games: Offending teams will be penalised except where all games are subsequently washed out.

Late starts: Umpires deduct one over every 4 minutes from the offending team (rule 47)

Weather delay: Umpires deduct one over per innings every 8 mins delay (rule 48)

Weather break: No overs can be deducted in the second innings, which must be completed in full or game abandoned (rule 48)

Points:	Win	4 points
	Tie	2 points each
	Abandoned match	2 points each
	Loss	0 points

PLAYING CONDITIONS 2023

All Fixtures are to be played as stated in this handbook.

Away clubs should come prepared for both grass or artificial wickets.

No spikes on artificial wickets.

Fielding circles should be marked as described in League rule 56.

Pink or other high visibility balls (not white) are mandatory.

Players should be suitably attired for cricket.

Coloured club kit is permitted with committee permission.

Ground unavailable?

Play at another ground, reverse the fixture, or rearrange within 6 days and notify the league.

Final resort: forfeit the game (but beware of the sanctions).

Ground, Weather & Light guidelines

On the day of the game the Home Groundsman must be the initial adjudicator as to the fitness of the ground.

Before play begins both Captains should agree on the fitness of the ground and length of the game, in consultation with the umpires.

Umpires have the final say once play begins

If weather or light deteriorates the game may be abandoned by the umpires.

Home clubs should do everything they can to **GET THE GAME ON**.

Playing of "double headers" is not permitted.

Game off?

Notify away team and umpires straight away.

Report abandoned games on PlayCricket.

League games cannot be re-arranged due weather.

Cup games can be re-arranged only **ONCE** to avoid fixture congestion.

Teams failing to turn up will incur penalties and fines.

CUP RULES 2023

DISCIPLINARY PROCEDURES

Cup games should be played on the scheduled date.
Rules are the same as League games except for:

Weather affected games:

Games should be decided on the appointed day, if possible, either by playing a reduced game, having a bowl out, or tossing a coin. Forfeitures are not encouraged but are acceptable as a last resort.

Where both sides are in agreement one re-arrangement of the tie is permitted. A result **MUST** then be achieved at that time.

Abandoned fixtures: the fixtures secretary will hold a lottery to decide the winner.

In 2023 Cups will be played in the last 3 weeks of August. Games will be played under either Wilden 10x10 rules or Wilden 60 rules.

Games will be played as a knockout
Teams knocked out in the first round will enter the Plate competitions.

All fixtures are to be played as advertised.
Matches are to start at 6.15 pm.

Wednesday league rules should be adopted where appropriate, except for:

Rules for 10 x 10 Competitions:

All ten players will bowl one six ball over
The wicket keeper cannot bowl
Wides/no balls count as 4 extras and are NOT re-bowled (except last over)
In the **last** over wides/no balls still count 4 but must also be re-bowled
Extra runs can be scored off wides and no balls as per normal laws of cricket
Bowlers run ups are limited to 8 paces
Fielding circles are used as per League rules
Batsmen retire "out" once they reach 20 runs

Tied game:

Winner decided by the following priority

- i) team losing least wickets wins
- ii) highest total after 6 overs.
- iii) most runs from the bat
- iv) if still equal decide by bowl out
- v) if unable, decide by toss of a coin.

Less than 10 outfielders: Umpire shall hold a ballot to decide which player(s) bowls the extra over(s).

Player injured: Umpire holds ballot to complete remaining balls/overs.

Ties should be decided using Cup Rule 58.

Rules for Wilden 60 (W60)

Innings are 60 balls each. Whoever scores the most runs wins.

The fielding side change ends after 10 balls.

Bowlers deliver either 5 or 10 consecutive balls. The captain decides.

Each bowler can deliver a maximum of 10 balls.

There are no powerplays but fielding circles apply.

The League will adopt the new ECB General Conduct Regulations for Recreational Cricket, applied and interpreted appropriately for our League.

All players and club officials must abide by League disciplinary procedures.

Captains and umpires together are expected to set the tone for the match.

The League expects the highest possible standards from all players.

Umpires will report any breach of discipline to the League who will assess the offence and may call a disciplinary hearing.

The League will provide the strongest possible backing to umpires

More information about the ECB General Conduct Regulations can be found in the full rules on the League website, www.wildencricket.com

Disciplinary Hearings

Any persons summoned to a disciplinary hearing can familiarise themselves with procedures by reading the full text on the League website.

If anyone is found guilty of an offence the League are mandated to report it to the WCB and their punishment can be expected to be enforced countrywide by ECB.

UMPIRES

Umpire appointments for all fixtures are published at the start of the season. Home teams are responsible for notifying umpires of any changes (e.g. cancellations) to fixtures. Umpire contact details are listed separately in this publication. Changes to umpire appointments will be notified to the home team by the League Umpire Appointments secretary.

Umpires fees for 2023

Umpires should be paid their fee before the start of the game. Failure to pay umpires fees shall initiate a £25.00 fine. Both teams are responsible for paying umpires. Fees are payable for all Cup and League matches including Finals.

Two umpires in attendance	£16.00 each umpire
Cancelled match	£5.00 each umpire
If travelling more than 7 miles from home	£8.00 each umpire

Only one umpire in attendance	£24.00 (£12.00 by each team)
Cancelled match	£5.00
If travelling more than 7 miles from home	£8.00

Umpires

- Should arrive 15 minutes before start
- Only one umpire present: batting side shall operate Square Leg only
- No umpires present: captains nominate both umpires from the persons available
- Non-attendance or late arrival of umpires should be reported to the League

Team sheet and umpire liability card

- The home team should provide the team sheet.
- Both captains should enter their teams for the match BEFORE THE TOSS.
- Identify all under 19s and sign the disclaimer on the back.
- Hand to the umpires for their inspection and retention at the toss.
- If teams are unwilling to sign the card umpires have the right to refuse to stand.

Any person signing this card should be aware that liability effectively transfers to them. For this reason it is imperative that the signatory is a fully paid up member of the club and that the club insurance is adequate to cover the situation.

Match Referee

The League's official match referee may appear at any game to support the umpires and enforce League rules where necessary. He has the full support of the League and his decisions should be respected.

UMPIRES PANEL 2023

The League Umpire Appointment's Secretary is Drew Manterfield (Tel: 07935 976552). Umpire appointments will be made at the start of the season based on umpire availability. All clubs will receive notification of umpire appointments and they will be posted on the League website.

Umpires who find they cannot fulfil their allocated fixture on or near the day concerned will contact the League Umpire Appointment's Secretary who will reallocate umpires accordingly and inform the home club using the contacts list in this publication, giving as much notice as possible.

Cancelled fixtures: Home teams must inform the appointed umpire by 5.00pm on the match day if the fixture is cancelled or rescheduled.
